FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator** assume the proposed legislation would cause an increase in cases filed, particularly in those counties that adjoin a major highway or are in a resort/vacation area. The agency has no way of estimating that increase at this time, but a significant increase would be reflected in future budget requests.

Oversight assumes the fiscal impact on the Office of State Courts Administrator would be minimal and could be absorbed by existing resources. Oversight further assumes this agency will request additional funds in the future should they be needed.

Officials from the **Secretary of State, Department of Revenue, Department of Transportation and Missouri State Highway Patrol** assume no fiscal impact to their agency.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would add driving while a person's license has been canceled, suspended, or revoked under the laws of another state to the crime of driving while revoked in Missouri.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
